MONROE EQUITY COMMUNITY Summer Events

Making history...

In 2020 the world was turned upside down by a global pandemic, the murders of George Floyd and Breonna Taylor, and a renewed effort to limit the rights of people in marginalized communities around the country. A call for equity and justice raged through our nation as we watched protests, violence, death, and heartbreak.

In Monroe people were galvanized. They posted signs in windows, hung flags from their porches, and marched in the streets demanding reform. The Monroe

Equity Council was infused with new energy in volunteers and leaders looking to effect change and pursue equity. Over the years we have done this work together and we became the Monroe Equity Community.

There has been so much hard work to do with so much more ahead and at the same time, there are wins we choose to celebrate. As a community we have gathered to learn, to hurt, to share, and to support. We look toward a

diverse and inclusive Monroe where everyone is welcome, safe, and represented. We are committed to honoring the worth and value of every human being by creating space for all to exist without harm. We are intentional in our mission to be agents of change who address inequity, racism, and systemic biases that exist in our schools, city, and elsewhere in our

community. It is with intention that we celebrate pride, freedom, and belonging.

You're invited to join us!
